

Please Note. This is not an exhaustive list but meant to give you an idea of the many charitable organizations operating in our community. There may be several others that we have unintentionally overlooked so if you find others that are not on this list, please let us know so we can add them on. Remember, the charities must be local and be able to issue tax receipts in order to be eligible. Also, in order for a New Brunswick or Canadian named charity to meet the criteria to be able to present at our meeting and potentially win our donation, they must agree in advance to allocate 100% of our donation to the Greater Saint John chapter of said charity.
